What is Outward Bound?

Outward Bound is an educational organization that for 75 years has leveraged challenge to teach leadership, character and an ethic of service.

Today, Outward Bound is best known for teaching ‘through, not for the wilderness’ and is the leading provider of experiential and outdoor education programs for youth and adults.

2/3 of all students receive scholarships in CA.

The 21st Century Character Movement

We are honored to be working with the S.D. Bechtel Jr. Foundation to continually improve how character education is woven into the fabric of our educational system.

Our goal is to contribute to the 'character education movement' by improving how 'character is taught', how character outcomes are measured and by making expeditions accessible to students from all walks of life and circumstances.
